Imagine a World Without Hate™

July 11, 2013

Mr. Julio Schlosser
President
Delegación de Asociaciones Israelitas Argentina (DAIA)
Pasteur 633 7 (1028)
Buenos Aires
Argentina

Dear Mr. Schlosser:

As the nineteenth anniversary of the terrorist attack on the Jewish community's AMIA-DAIA building in Buenos Aires, Argentina approaches, we once again express our solidarity with the Argentinean Jewish community and remember the eighty-five innocent victims who lost their lives and the hundreds of others wounded on that tragic day, July 18, 1994.

We join with the DAIA, the entire Jewish community of Argentina and so many others around the world in the sense of frustration that the perpetrators of this heinous attack and their collaborators have not yet been brought to justice. We also stand with you in denouncing and opposing the Memorandum of Understanding, which only undermines efforts to arrest and prosecute under Argentine law those responsible.

The Anti-Defamation League will continue to raise this issue at the highest levels in our meetings with the U.S. government and international leaders until justice is served.

Sincerely,

Barry Curtiss-Lusher
National Chairman
