*2013 is the first year that the FBI collected HCSA data on gender and gender identity-based crimes

**2015 is the first year that the FBI included data on Anti-Arab (formerly included in Anti-White), Anti-Hindu and Anti-Sikh based crimes

****2015 is the first year that the FBI combined Race, Ethnicity, and Ancestry into one category, adding anti-Hispanic and other anti-ethnicity-motivated crimes to the total of anti Racial/Ethnicity/Ancestry crimes. The total Racial Bias, Ethnicity/Ancestry for years 2014 and prior thus do not include anti-Hispanic incidents.
