Black students are suspended and expelled at a rate three times greater than their white peers.

**Pre-school children**

While black students represent 18% of children enrolled in preschool, they represent 48% of all preschool children receiving more than one out-of-school suspension.

- Black Students: 48%
- White Students: 18%
- Other Students: 26%

In comparison, while students represent 42% of preschool enrollment but 28% of preschool children receiving more than one out-of-school suspension.

**School-related arrests**

While black students represent 16% of student enrollment, they represent 31% of students subjected to a school-related arrest. In comparison, while students represent 51% of enrollment and 39% of those arrested.

- Black Students: 31%
- White Students: 16%
- Other Students: 51%

Students with disabilities (served by IDEA) represent a quarter of students arrested and referred to law enforcement, even though they are only 12% of the overall student population.

More than 25% of boys of color with disabilities receive an out-of-school suspension.
