

How Do I Choose Bias-Free Children's Literature?

Early Childhood Question Corner

Children need you to help select bias-free reading material that reflects the diversity of our world. The article [“Assessing Children’s Literature”](#) contains tips and a checklist for selecting appropriate children’s books.

In addition, please visit ADL’s [Children’s Literature](#) for a list of recommended multicultural and anti - bias books for children in grades PreK-6.
