Iran's Press TV: Broadcasting Anti-Semitism To English Speaking World

Updated: April 1, 2015

INTRODUCTION

Press TV, Iran's government-run English language satellite news network, has emerged as the Iranian government's primary propaganda tool to promote a wide range of pernicious anti-Semitic conspiracy theories in English to a worldwide audience.

Operated by Islamic Republic of Iran Broadcasting (IRIB), a significant amount of *Press TV* programming provides a platform for American anti-Semites, conspiracy theorists and Holocaust deniers, who help amplify the Iranian regime's hateful messages.

The station not only misleadingly presents these hatemongers as serious and credible “experts” or “analysts” on international economic and political issues, but also enables their bigoted perspectives to reach a significant new audience.

Launched in 2007 and based in Tehran, the station is broadcast in North America, Europe, the Middle East, Asia and parts of Africa and Latin America via a number of satellite television providers.

In addition to promoting classic anti-Semitic myths of global Jewish domination, *Press TV* presents a pervasively negative perspective on Western society, emphasizing what it views as the West's imperialism, faltering economies, lack of justice, political corruption and racial and class divisions.

Its programs, interviews, and articles are available on the network's website and further distributed through social media, including on Facebook and Twitter.

In July 2013, *Press TV* sought to further expand its viewership by live streaming its content on YouTube. [ADL contacted YouTube](#) to inform them that the content on *Press TV* may violate their terms of service, also noting that providing such communication services may be viewed as violating the Iran Sanctions Act. YouTube subsequently disabled *Press TV's* ability to live stream their content.

Although YouTube disabled *Press TV's* live stream after ADL exposed it, *Hispan TV*, *Press TV's* Spanish-language sister-station, similarly started live streaming its content from the station's YouTube account, and was subsequently shut down after YouTube was alerted.

The content broadcast on *Press TV* provides insight into the mindset of the Iranian regime, which not only continues its aggression on the nuclear issue, but also maintains its belligerent position toward Israel, Jews and the West.

This report includes descriptions of the [anti-Semitic themes promoted on Press TV](#) as well as information on [who appears on Press TV](#).

Allegations of Zionist Control over World Events

The following statements made on *Press TV* allege that Zionists control, manipulate, and/or exploit world events through a global Jewish conspiracy. These theories, echoing age-old anti-Semitic canards, claim that Jews are somehow responsible for all that is wrong in the world through their control of the media, politics and other sectors.

- “The American people are increasingly sick of [Jewish control] they’re sick of the pack of lies that all of this is based on, they’re sick of the Israeli control of their foreign policy and their government and their news media.”

Mike Harris, who has ties to neo-Nazis, presented as an expert on *Press TV* in 2012

Mark Dankof, “Americans ‘sick’ of neoconservative Zionists: Analyst,” March 31, 2015

- “These more cunning Zionist extremists think that war might upset their apple cart, but they are still moving toward the same objective, that is the expansion of Israel, the destruction of the Palestinians, the destruction of the rights of all the nations of the world and a subservience to a Zio-globalist economy, the Zio-globalist government.”

David Duke, “Zionists know war with Iran can upset their applecourt: Ex-US state lawmaker,” March 19, 2015

- “The Zionists created ISIL and sent it to fight Muslims and Christians in Syria and Iraq. And that is why the Zionists are attacking Syria in support of ISIL. New World Order Zionism is also targeting the USA for destruction. The Zionist bankster elite staged a coup d’état on September 11th, 2001 aimed at turning the USA into a police state – and sending American military forces to the Middle East to smash Israel’s enemies into pieces.”

Kevin Barrett, “Zionist NWO murders Iranian general, American filmmaker,” January 20, 2015

- “...Zionist pre-emptive murderers excel at ‘killing the future.’ Other examples include the 22 July 2011 assassinations in Oslo, Norway of the entire youth wing leadership of the Norwegian Labor Party. A team of Zionist-liked professional killers executed a total of 77 people, while Zionist-freemasonic assets in the Norwegian police and military stood by.”

Kevin Barrett, “Zionist NWO murders Iranian general, American filmmaker,” January 20, 2015

- “Al-Qaeda, ISIS, al-Nusra Front — they are all outgrowths of the same poisonous American-Zionist imperial tree.”

Brandon Martinez, “Analyst wonders whether Cahrlie Hebdo [sic] massacre was staged,” January 13, 2015

- “To their every misery Americans trace Zionist Jews in America and Israel at the root. They see miniscule population of American Zionist Jews determining, dominating, and controlling every aspect of their lives - social, moral, political, judicial and economic.”

M.I. Bhat, “American Zionists incubating another Hitler,” November 9, 2013

- “I think the world now is seeing Zio-hypocrisy in all of its glory, in all of its clarity and the Zio-media does not know exactly how to handle it because they do not like this process. It is not simply the government of United States that they dominate in terms of our policies. They dominate our media, they dominate the campaign financing the Republican Democratic Party, they dominate the finances of the country, the World Bank, the International Monetary Fund and of course the Federal Reserve which impacts every currency in the world.”

David Duke, “Netanyahu, world’s biggest hypocrite: David Duke,” October 2, 2013

- “This report [the Intergovernmental Panel on Climate Change report] is part of Zionist fear-mongering to control the world. Just like 9/11 they brought down tower number 7; their false allegations against Iran and their allies; and this is a batch of lies.”

Rodney Shakespeare, “Global warming scam, Zionist scaremongering to control world: Analyst,” September 28, 2013

- “It is no coincidence that Israel works so closely with Hollywood the way she does. She understands that perception or control of perception is 90 percent of the battle and this is how once again she will continue to steal more lands and to abuse more human rights as by controlling the perception.”

Mark Glenn, “Israel has no plan for peace: Mark Glenn,” July 26, 2013

- “This was a sham from the beginning. Zimmerman is of Jewish decent...Certain ethnic groups in America have more power than others.”

Randy Short, “Zimmerman verdict exposes US judicial corruption: Randy Short,” July 14, 2013

- “Meanwhile the Jewish cabal flourishes...Too many pro-Israel MPs speak and act as if they’d rather wave the Israeli flag than the Union Jack. These ‘Israel-firsters’ never condemn the regime’s illegal occupation...They lock Britain (and British foreign policy) into Israel’s sickening ambitions and immorality. Defending the indefensible, as they do, inevitably raises questions for our national security, a deadly serious issue given the sheer number of Zionists now in British public life and the enemies they have made across the world, and continually provoke.”

Stuart Littlewood, “Who’s at the top of Britain’s Tory Party?” July 11, 2013

- “Why do all these wars and everything else happen? Well I am not going to write a paragraph on this. Everything is already mentioned and is as clear as water. I would rather prefer to write a single sentence. All this happens to flourish a minute racist entity: the Zionist state of Israel.”

Arif Hussain, “Dirty Zionist game in Syria and steadfast Syrian army,” June 25, 2013

- “It was Chertoff’s job, while Secretary of DHS, to place all law enforcement, counter-terrorism, and domestic surveillance operations under Israeli control. This was done by directing all contracts to Israeli companies, all equipment, all training, and full access to all intelligence databases...All Americans involved in legislative and policy areas, defense, intelligence, law enforcement, and counter-terrorism efforts were taken to Israel for indoctrination. Tens of thousands made the trip.”

Gordon Duff, “US most obvious false flag attack yet,” April 20, 2013

- “The answer is that Western foreign policy in the Middle East is controlled by Zionist Israel which wants every Islamic society and every Arab state smashed into pieces.”

Rodney Shakespeare, “Zionist lunacy taking world to hell in handbasket,” April 11, 2013

- “For decades, the Jewish Mafia has been reengineering the nation’s institutional infrastructure in order to wage a political and economic war exclusively against Americans of White, Christian, European ancestry. Black pride, Mexican pride and Asian pride are emphasized and encouraged in the school system. In contrast, White Americans are discouraged from developing a sense of pride and self-worth. Under the rule of the Jewish Mafia, America’s educational establishment is now teaching students that race does not exist.”

Mike Stathis, “Jewish Mafia tied to death in America,” January 3, 2013

- “We have had a Zionist-controlled Hollywood, a Zionist-controlled news media that is the conduit to all of these violence, these imagery,[sic] into every home in America and so you wonder why there is a culture of violence? It is because it comes from the Jews in Hollywood. That is where the conduit of violence comes from. That is the source of it.”

Mike Harris, "The Zionist-controlled Western media fueling culture of violence," December 18, 2012

- "The USA's foreign policy, its media and its political structures are completely corrupted by, and infected with, Zionism."

Rodney Shakespeare, "CIA, Mossad staged 9/11 to further the Zionist agenda," December 15, 2012

- "The Likud crime mob that orchestrated and carried out 9/11 owns not only the Romney campaign and the US federal courts, but most of the big US and global media as well. It isn't just that the people who own and run the media tend to be Jewish and pro-Zionist."

Kevin Barrett, "Killers of Americans run Romney campaign, US courts and media," October 6, 2012

- "The film [*The Innocence of Muslims*]...is devoid of any cinematic technicality and those involved in the film are a bunch of paid hate-mongers in service of Zionism...[the creator] is a trained Mossad agent tasked with pushing ahead a dangerous agenda."

Allegations of "Israeli Lobby" Control of America

Press TV often focuses on the perceived control of the American political system by American Jews and/or Israel through Jewish and other organizations that lobby the American government for policies that are deemed beneficial to the state of Israel.

- "It is interesting that these senators, and I would refer to them as the senators from the Jewish lobby or the senators from Israel, are basically acting in an obstructionist manner..."

Rodney Martin, "Zionist senators attempting to obstruct Iran talks: ex-US congressional staffer," March 5, 2015

Mark Glenn, "US suckles Israel USD 30 million a day: Mark Glenn," August 9, 2013

Gordon Duff, a senior editor of the anti-Semitic and conspiratorial *Veterans Today*, presented as a credible expert on *Press TV* in 2014

- “The fact of the matter is that whether you’re looking at American or European support for these sanctions against Iran, Israel and the Jewish lobby are behind it all. They are the driving force behind what’s happened up to this point...I will simply remind people of who has a disproportionate control, moneymwise and power-wise, of both the American presidential elections and American senatorial and congressional elections. It’s clearly the Israeli lobby.”

Mark Dankof, “Only war satisfies Israel lobby in US: Mark Dankof,” August 4, 2013

Mark Dankof, "Zionists seek to abuse US UNHRC place: Analyst," November 13, 2012

- “This is suggestive of the kinds of forces that some of us think are very much involved in covering up the truth about 9/11, and that includes a disproportionate power that the Israeli lobby has and that Jewish interests have in the United States in our news media that keeps some of this stuff from being discussed.”

Mark Dankof, "Israeli regime orchestrated 9/11 attacks: Dankof," October 16, 2012

- “In the United States regardless of who wins this election... gridlock is going to facilitate the ongoing control of the American political and economic process by the usual players, the bankers...the oil and natural gas consortiums and other multinational corporations and the Israeli lobby.”

- “To me, what is obvious is...the strength of the Israeli lobbies such as its impacts [sic] on domestic politics in the United States through AIPAC and the Anti-Defamation League...This is the price you pay for being president of the United States and having to deal with a lobby that can make or break you.”

Bruce Katz, "Israeli lobbies dominate US system: Analyst," June 15, 2012

Allegations of Excessive Jewish/Zionist Influence as a Result of Disproportionate Wealth

Anti-Semitic claims that Jews control a disproportionate amount of wealth and exploit their financial advantage can regularly be found on *Press TV*. While some individuals try to couch their anti-Semitic theories in more neutral language, others are explicit, asserting that Jews control world financial markets and institutions.

- "Who in the world doesn't know American Congress and Senate, Governors and even City Mayors, are totally and abjectly sold out, body and soul, to the American Zionists' dollars much before they come to occupy their exalted office positions."

M.I. Bhat, "American Zionists incubating another Hitler," November 9, 2013

- "Where democracy itself has been reduced to mere competition in securing Jewish funding and acceptance by Zionist media..."

M.I. Bhat, "American Zionists incubating another Hitler," November 9, 2013

- "Barack Delano Bush as a matter of fact, was publicly quoted in all the Israeli dailies in his last trip to Israel, crediting Jewish money and Jewish lobby with having a disproportionate influence in Barack's election...When you look at the amount of Israeli money that continues to buy, the corporate money that continues to buy Federal Elections at all levels; this I think is the context which we need to see what is transpiring at this point."

Mark Dankof, "Americans not beneficiary of US foreign policy: Mark Dankof," June 29, 2013

Mike Stathis, "Jewish Mafia tied to death in America," January 3, 2013

- "The US dollar is not the US dollar. It's the Zionist dollar. The US dollar is issued by the Federal Reserve, a private corporation owned by the biggest 'American' banks. Allegations of "False Flag" Conspiracy Theories

Press TV commentators have promoted the anti-Semitic notion that Jews plot and carry out violent attacks and other tragic events and then lay blame on others in order to gain or sustain power. These examples accuse Israel, either in collusion with the United States or on its own, of perpetrating the 9/11 attacks or other operations and then pointing the finger at Islamic extremists in order to provide an excuse for war.

- "The September 11, 2001 attacks in the United States were a Zionist 'coup d'etat' to seize power in the country and launch a permanent war on Islam on behalf of Israel..."

Kevin Barrett, "9/11 attack was Zionist coup d'etat to seize power in US: Scholar," February 17, 2015

Anti-Semitic conspiracy theorist Kevin Barrett on *Press TV* in 2012 on the anniversary of 9/11

- "This was really set up by the Zionists, who actually were the main force behind 9/11 and the Zionists wanted to make sure that 9/11 could be used to threaten Saudi Arabia and prevent it from leaving the US imperial orbit and also to threaten Pakistan and force Pakistan to acquiesce in the coming invasion of Afghanistan."

Kevin Barrett, "9/11 attack was Zionist coup d'etat to seize power in US: Scholar," February 17, 2015

M.I. Bhat, "American Zionists incubating another Hitler," November 9, 2013

- "Israel has committed terrorism year after year, day after day in fact in all of the world assassinations, murders. They have been involved in a course of lot of the bombings and everything in Iran itself and all

over the Middle East and there is certainly a lot of evidence that Israel had a lot of foreknowledge at least foreknowledge about 9/11. Their fingerprints are all over 9/11.”

David Duke, “Netanyahu, world’s biggest hypocrite: David Duke,” October 2, 2013

- “Everything we’ve seen was based on Jewish lies designed to take over the Middle East and create greater Israel, which was stretched from Egypt to Iran...This was the purpose of the Jewish attack on the USS Liberty in 1967, the attacks of 9/11, 2001, and is the purpose of these bogus chemical attacks...”

Catherine Shakdam, “Zionists target al-Aqsa Mosque, the heart of Islam,” August 27, 2013

- “‘Al-Qaeda’ is the name of a ragged hodge-podge of dupes and mercenaries. They terrorize Syrians on behalf of the US and Israeli governments. And they terrorize Americans on behalf of the US and Israeli governments.”

Kevin Barrett, “Global awakening to false-flag terrorism, Copernican revolution,” April 21, 2013

- “What is so hateful about discussing the evidence that Israel did 9/11? Why is blaming Muslims okay? Why the double-standard? The short answer: Because the ‘anti-hate groups’ are Zionist propaganda operations. It isn’t as if there is any evidence against the alleged Muslim perpetrators of 9/11... But the so-called anti-hate groups don’t care about evidence. All they care about is protecting Zionism.”

Kevin Barrett, “Zionists drown in their own hatred,” March 21, 2013

- “This destruction of Muslims’ heritage is part of the Zionist New World Order’s attempt to destroy everyone’s heritage. The traditional identity of the United States, for example, has been systematically undermined by the Rothschild-funded Zionist lobby, which has opened the doors to mass immigration, waged a media war against traditional American identity and morality, denatured the American currency and economy, launched a war on the American middle class, and demolished the US Constitution in a series of actions culminating in the 9/11 coup d’état.”

Kevin Barrett, “Saudi war on Islam, Zionist war on humanity,” March 18, 2013

- “You have to realize Israel has been operating death squads in the United States since Gabrielle Giffords and Judge Roll were shot in Tuscan. There have been other incidents as the Colorado shooting, that was

again Israeli death squads operating in the US... That is all it is about, it happens every time; it is Israelis acting out and trying to revenge [sic] upon the United States."

Mike Harris, "The Zionist-controlled Western media fueling culture of violence," December 18, 2012

- "Israel had the motive, they had the means, they had the opportunity, they had the money, they had the resources, they had the inside contacts and they had the people in the American media and the American government to cover it up [the 9/11 terror attacks] for them after the fact."

Mark Dankof, "Zionists masterminded, co-plotted 9/11 attacks: Analyst," September 11, 2012

- "If indeed there were actually a threat of radical religious terrorism in the US, more resources should be devoted to surveilling [sic], bugging and harassing the Jewish community than the Muslim community. But we all know that that will never happen. The whole thing is a hoax. It was set off by the biggest hoax of all, the false attack on 9/11 in which the Israeli Mossad and its US assets, right up to the White House, conspired in the controlled demolition of the three World Trade Center skyscrapers..."

- “There is the Zionist Israeli type, slaving and slobbering at the thought of killing somebody who is not capable of seriously fighting back. This type, for example, is very good at killing defenseless Palestinians and consists of Nazi fascists...And, making a really big effort to ensure that they really are exactly like the German Nazis, the Zionist Israelis are implementing genocide in Palestine. WHO APPEARS ON PRESS TV?

The following individuals, including many Americans, have been given a platform by *Press TV* to spread their anti-Semitic and conspiratorial world views.

- [Kevin Barrett](#) is a columnist for the anti-Semitic website *Veterans Today*, where he has written that "the American people have been bankrupted and bled dry by hard line extremist Likudnik Zionists who murdered 3000 Americans in the Twin Towers on 9/11." Barrett is also a former instructor at the University of Wisconsin-Madison who currently runs the *Truth Jihad* website and internet radio show.
- [J. Bruce Campbell](#) is a *Veterans Today* columnist who has written articles on anti-Semitic conspiracy theories of Jewish control ranging from the idea that "all Arab countries are secretly controlled by Israel" to the premise that "the Jewish enclave appears to exert total power over the American military." He has bizarrely argued that Jews control the US military "via homosexuality... for the purposes of mind control." In his *Veterans Today* article "What was Hitler's Unforgivable Sin?" Campbell describes himself a "Jew-fighter" whose motto is "Judaism must be destroyed."
- Joe Catron is an American anti-Israel activist who is currently living in Gaza while volunteering with the International Solidarity Movement. Catron supports Boycott, Divestment and Sanctions (BDS) campaigns against Israel and previously worked as an organizer with the US Campaign for the Academic and

Cultural Boycott of Israel. While in Gaza for the past year, Catron has provided "eyewitness reporting" and analysis that have been published by Electronic Intifada and Mondoweiss, two popular anti-Israel blogs. He has also served as a *Press TV* correspondent in Gaza.

- Finnian Cunningham writes for *Veterans News Now*, a conspiratorial anti-Semitic website affiliated with *Veterans Today*.
- Jim Dean is the managing editor and a columnist for *Veterans Today* where he reprints his material from *Press TV* and also publishes additional content alleging Israeli control over America.
- [David Duke](#) is perhaps America's most well-known racist and anti-Semite and a former Klan leader. He promotes anti-Semitic and white supremacist views through his website, as a writer of anti-Semitic tracts, and, in recent years, as an international figure who has promoted his anti-Jewish ideology in Europe and the Middle East, devoting particular attention to Russia and the Ukraine.
- Mark Dankof has been a contributor to *American Free Press*, an anti-Semitic conspiracy-oriented newspaper that promotes a variety of 9/11 conspiracy theories accusing Jews of perpetrating the attacks. He also maintains a website called *Mark Dankof's America* which features articles blaming the Israeli Mossad for the assassination of John F. Kennedy and maintaining that American foreign policy is dictated by the "Israel lobby" and the Israeli government.
- [Gordon Duff](#) is Senior Editor of the website *Veterans Today*, which promotes anti-Semitic conspiracy theories, including claims that Israelis and Jewish members of the Bush administration carried out the 9/11 attacks as a "false flag" operation to provoke a war against Israel's enemies and that the "Israel lobby" is ruthless and willing to commit mass murder to further its goal of acquiring power.
- Peter Eyre is a conspiracy theorist who maintains a blog called *Peter Eyre's Space* where he discusses the "news" not published in the "Zionist controlled media" and calls Jews "evil satanic Zionists" who have a "Master Plan" to take over the Middle East.
- [Mark Glenn](#) maintains an anti-Semitic conspiracy-oriented blog called "The Ugly Truth," and runs an internet radio show on which he features numerous anti-Semitic hosts and guests. In a March 2012 *Press TV* appearance, Glenn compared the situation of the Palestinians to that of European Jews during the Holocaust, saying that the Palestinians are "suffering the same thing and worse." In a 2006 blog post, Glenn makes his anti-Semitism more than clear: "that Zionism is nobody's friend, that is obvious. It is JUDAISM that is the real problem. J-U-D-A-I-S-M, the tree from which Zionism sprung forth, the seedling that has brought the world to the brink of extinction. JUDAISM, the cancer that is eating the body away and left it a skeletonized hull of what it once was. JUDAISM, the root of all mankind's present evils..."
- [Mike Harris](#) is a contributor to the anti-Semitic website *Veterans Today* and has ties to members of the neo-Nazi [National Socialist Movement](#) (NSM), the country's largest neo-Nazi group. Harris was an

associate of [J.T. Ready](#), a former NSM member and an anti-immigrant activist who shot and killed five people in May 2012 before killing himself. In Harris' conspiratorial writings, he claims Jews are behind a number of American tragedies, such as the Tucson shooting of Congresswoman Giffords and 18 others, the 9/11 attacks, and the Oklahoma City bombings. He has written that these supposed false flag operations are part of a Jewish conspiracy to bring about a totalitarian state in America.

- Bruce Katz is a co-president of Palestinian and Jewish Unity (PAJU), a Montreal-based group that calls itself a "human rights organization that explicitly recognizes the right of the Palestinian people to national existence." PAJU promotes boycott, divestment, and sanctions (BDS) against Israel and characterizes Israel as a colonial and "apartheid" state. On a 2011 interview on *Press TV*, titled "Zionists follow footsteps of Nazis," Katz accuses Netanyahu of using "essentially the same discourse" that was put forward by Hitler.
- Franklin Pierce Lamb is an American living in Beirut who appears frequently in left-wing and Muslim media, offering viewpoints that, while ostensibly those of an expert, tend to be supportive of Hezbollah. He has been known to make sensationalist claims, such as having access to a secret CIA report that predicted Israel's demise within the next 20 years.
- Joachim Martillo, presented as a "financial analyst" on *Press TV*, does not appear to have any credentials to his name on this topic. Other than his *Press TV* appearances, he is not frequently cited, even by conspiratorial publications. He does, however, maintain a social media presence where he denies the Holocaust and promotes anti-Semitic theories.
- [Dieudonné M'Bala M'Bala](#) is a French performer whose act routinely includes Holocaust denial, praise for Adolf Hitler, Nazi salutes, slurs against the Talmud and other anti-Semitic language. In a 2010 interview on *Press TV* he claimed that Zionists "have organized all the wars and organized all the disorders on this planet." His 2012 film *L'Antisémitisme* was banned from the Cannes film festival for violating the festival's policy of not "threatening public order or insulting religious beliefs."
- [Imam Abdul Alim Musa](#) is head of the Masjid Al Islam mosque in Washington, DC, and is affiliated with the anti-Semitic [Sabiqun](#) movement. Alim Musa regularly appears at anti-Israel demonstrations in the DC area and uses virulent anti-Semitic language to demonize Israel. Alim Musa is also an advocate for an Islamic revolution in the U.S. In a 2010 *Press TV* appearance, Alim Musa claimed that the Israeli Mossad and the U.S. government were behind 90 percent of the terror attacks in the U.S. and abroad since the 1993 World Trade Center bombing, including the Christmas Day plot in 2009.
- Allen Roland is a psychotherapist based in California who maintains a site called *Allen L Roland's Weblog* where he promotes 9/11 conspiracy theories and extreme anti-Israel sentiment, such as comparing Israelis to Nazis. In a 2011 *Press TV* interview, Roland played off anti-Semitic language, saying that the American president is "a figure" who "answers to the financial elite and old world order which includes AIPAC, the Israel Lobby" and that in American politics "the key player is Israel."

- Ismail Salami is a *Veterans Today* columnist who has written about the "smile of satisfaction that breaks upon the ugly face of Zionism" because "Israel craves for more and Washington has no choice but to cater to the wanton demands of a decadent colonizing regime."
- [Michael Santomauro](#) is based in New York, where he runs a Holocaust denial book publishing company named Theses and Dissertations Press. He is also active in promoting Holocaust denial and anti-Semitic conspiracy theories on social media, such as his blog and Twitter feed.
- Rodney Shakespeare is a visiting professor of "binary economics" at Trisakti University in Indonesia. His anti-Semitic writings appear to be limited to *Press TV*.
