<sup>^</sup>The FBI flagged that limited data for 2021 were available for California, Illinois, Maryland, New Jersey, New Mexico, New York, and Pennsylvania. There were no cities in Florida that reported hate crimes in 2021.

<sup>^^</sup>**Serious caution** should be exercised in interpreting data for 2021, a year in which a large portion of major cities did not participate in reporting. Comparisons among states may not be meaningful for 2021.

<sup>\*</sup>Limited data were available for Alabama in 2019.

<sup>\*\*</sup>Indicates that the state did not participate in the reporting effort.

<sup>\*\*\*</sup>Totals include hate crime incidents reported by federal agencies as well.

<sup>\*\*\*\*</sup>Includes one hate crime incident reported by Guam.
